

atlas of the biosphere

Disclaimer: The University of Wisconsin, The Center for Sustainability and the Global Environment, and the Atlas of the Biosphere make no claim as to the validity or accuracy of this data. All such claims are expressly the responsibility of the individual dataset creator(s). Effort has been made to include in the Atlas only those datasets that presumably represent the pinnacle of current knowledge in a particular field, however we will assume no accountability for any errors end users may encounter while working with the data.

Dataset Citation:

Climate Research Unit, Univ. of East Anglia. Available at http://www.cru.uea.ac.uk/~markn/cru05/cru05_intro.html.

New, M.G., M. Hulme and P.D. Jones, 1999: Representing 20th century space-time climate variability. I: Development of a 1961-1990 mean monthly terrestrial climatology. J. Climate. 12, 829-856.
